Whereas, The Associated Students of The University of Montana (ASUM) is representative of over 15,000 students at The University of Montana Campus;

Whereas, the purpose of students at The University of Montana is to gain an education;

Whereas, The University of Montana requires students to complete all degree and general education requirements prior to graduation;

Whereas, The University of Montana provides students with numerous resources such as the Undergraduate Advising Center, Academic Planner, UMAdivising.com, and individual department advisors in order to encourage fulfillment of all degree and general education requirements, timely graduation, and a well-rounded education;

Whereas, these resources may sometimes prove inefficient and/or ineffective in addressing student's needs;

Whereas, The Office of The Registrar and The Office of The Provost have expressed desire to acquire a Degree Audit program that would act as a provision to ensure degree acquisition for hard working students;

Whereas, a Degree Audit program has the potential to help students find the best academic path to complete their degree, provides academic advice for choosing the most appropriate major as soon as possible, and provides feedback each semester on academic progress;

Therefore, Let It Be Resolved that The Associated Students of The University of Montana strongly encourages and will seek ways to support the adoption of the Degree Audit program that benefit the students, faculty, and staff of The University of Montana.
